

K-LOVE is a very important part of my life and my childrens life. Our family would be very sad if we were unable to listen to K-LOVE. There are very few christian radio stations and we should have the choice to listen to K-LOVE without someone taking that from us. There are a lot of people who get saved just by listening and also who build there spirit by listening. Please don't let LPFM stations take priority over the current FM translator service.
